- \*Has drug and alcohol abuse at Grandview increased this year?**
- \*Are drugs and alcohol a growing problem in the Cherry Creek School District?**
- \*Is it against the law for parents to give their children alcohol to drink in their home?**

**What is the “drug of choice” for students this year?**

**If you would like to know the answers to these questions and others pertaining to drug and alcohol abuse in our schools, come to this meeting. It will be factual, informative and pertinent, especially at this time before Prom and the end of school.**

**SEE YOU THERE!**

**SENIOR SCHOLARSHIPS**

**GECO presents five \$1000 dollar scholarships each year to college- bound seniors. These scholarships are based on good character, community service (to include work experience), extracurricular activities, and citizenship. Students will need endorsements from two teachers and one dean. Students may pick their application up in the Post Grad Center. The deadline for applications is April 8, 2003 (two days after Spring Break).**
