Dear Grandview Parents:

As we begin our sixth school year at Grandview, the members of the GECO/PTCO would like to invite everyone to attend the monthly general meetings. For our parents' convenience, this year we will be meeting together with GAIT (Grandview Accountability & Improvement Team). Generally we meet on the third Tuesday of each month and our meetings are always held in the Lecture Center beginning at 7 p.m. Those who attend the meetings will learn firsthand about upcoming events as well as hear about recent student body achievements. Each month there will be comments by our principal, Dr. Harry Bull, followed by a short business meeting. Occasionally throughout the year we will invite speakers to come and address our attendees with current topics that are of interest and concern to parents today.

This year, the PTCO will be selling (E)Books, a coupon book published by the Colorado Education Project. The coupon book sells for \$10.00 of which \$7.00 goes directly back to Grandview. The books are filled with coupons for free items. The books were sold during registration and GECO will also be selling them during Back-to-School night. Please help to support our school and buy an (E)Book!

Don't forget to mark Saturday, November 15<sup>th</sup> on your calendar for our annual GECO fundraiser. Our Fundraiser committee is already hard at work planning a fun-filled event for the entire Grandview community. Money raised at the Fundraiser goes towards senior scholarships, department grants, our new digital marquee, AfterProm, and many other areas. All we need to make our Fundraiser a huge success is you!

At this time, GECO still has an open position available for a Co-Treasurer. Our meetings are lots of fun and joining Grandview's PTCO is a great way to get involved, stay informed, and meet people. Anyone who is interested should call Sharon Withrow at (303)400-6923 or Trina Donovan at (303)699-3424 for further details.

Registration went very well again this year thanks to all of our great volunteers. All of the PTCO board members would like to thank our wonderful parent volunteers who helped out during registration and made the entire process a smooth one.

In closing, we would again like to invite all of you to our monthly general meetings. Our meeting dates for the first three months are September 16<sup>th</sup>, October 21<sup>st</sup>, and November 18<sup>th</sup>. Hope to see you there!

Sincerely,

Sharon Withrow  
Trina Donovan
