

## Farewell

As out-going Co-Presidents, we would like to express our gratitude to the staff, parents and students of Grandview High School. All of you do your part to make Grandview a wonderful school and integral part of our community. We very much enjoyed our two years as Co-Presidents and we could not have accomplished everything we did without the assistance of our exceptional volunteers. We especially want to thank all the members of the PTCO Executive Board. Every one of you has been extraordinary and a joy to work with!
