Volunteer Positions we need to fill

We are looking for a Volunteer Coordinator who can coordinate the assignment of volunteers to the various areas of need. This is a position that can easily be done from home – there may be some phone calling, but most contact with the volunteers can be on an email basis.

We are also in need of a Staff Appreciation Chairperson. This creative person will plan meals for the Grandview staff for various occasions throughout the year and serve the meals along with student and parent volunteers. If you can plan meals on a budget for your family, you can certainly extend that skill for 260 GHS staff members!!

If you can help us with either of these rewarding positions, please contact Diane Loup - LoupDLoup@aol.com - 303-680-6200.
